DELIVERING CONFINED SPACE TRAINING TO YOUR SITE

INTRODUCING OUR MOBILE CONFINED SPACE UNIT

STATE OF THE ART MOBILE CONFINED SPACE TRAINING FROM THE UK'S TRUSTED TRAINING PROVIDER

Citrus Group are delighted to announce the arrival of our new Mobile Confined Space Training unit. This unit allows us to deliver non-accredited and City & Guilds Confined Space Training at your location, anywhere in the UK!

This bespoke vehicle has been specifically designed to meet the City & Guilds requirements but, we can also offer our entire non-accredited confined space portfolio from the unit.

The unit has been specifically designed and built to the highest standards for training purposes and provides an unrivalled confined space experience.

Our Mobile Confined Space Unit enables our clients to reduce the cost of training their staff, whilst utilising the very latest training delivery methods.

THE BENEFITS IN USING OUR MOBILE CONFINED SPACE UNIT:

- Reduced travel and accommodation expenses
- Minimal disruption with reduced "down time" from work
- Training carried out in realistic working environments
- Easier and more cost-effective coordination of staff
- More choice with totally flexible locations
- No safety equipment logistics worries. All the equipment is included in the cost
- Less reliance on City & Guilds approved training centres
- Less hassle setting up and investigating suitable confined spaces for onsite training

The unit can be driven by any of staff that hold a 7.5 tonne category driving license and the appropriate CPC Qualifications. Look out for our unit on your travels, we deliver Nationwide!

THE UNIT IN DETAIL
