

Miniveyor Air VAF-200 - 250W

A versatile portable ventilator with just the right amount of power, the VAF-200 is ideally suited for light industrial or utility applications.

A perfect workhorse for small confined spaces, such as manholes and sewers, these compact ventilators deliver maximum airflow for a safe, comfortable and controlled work environment. The Blowers should be used in temperatures below 65°C/149°F and the flexible ducting 150°C/302°F

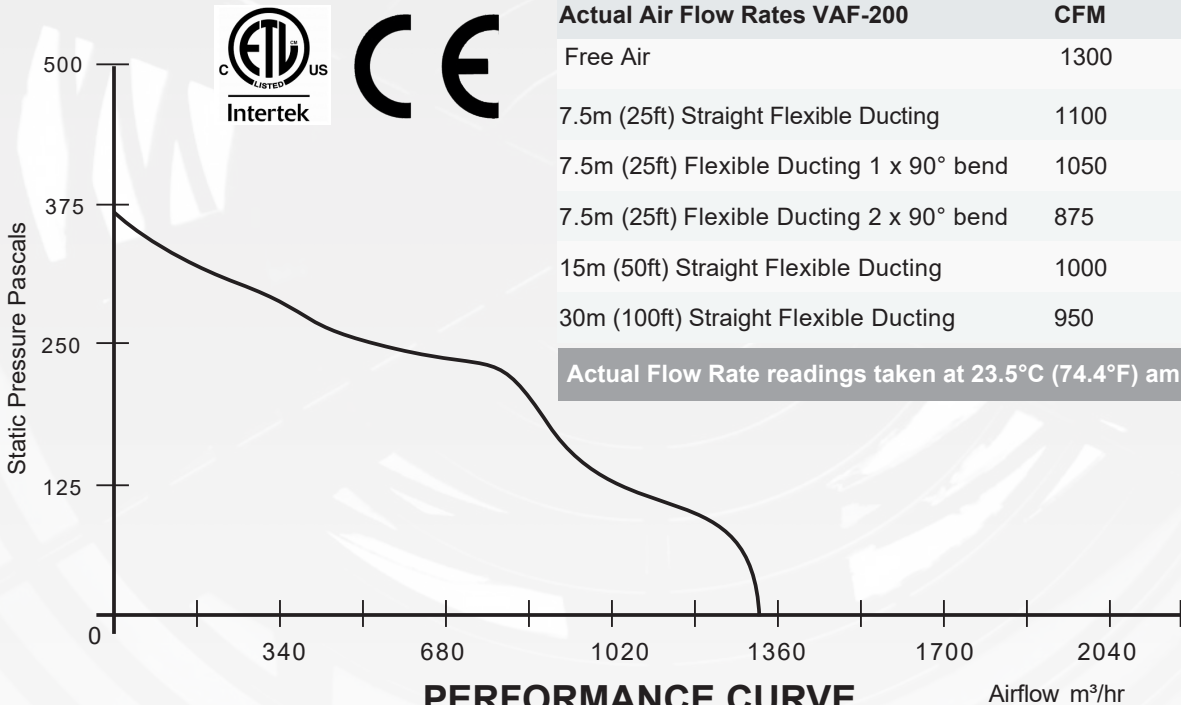

Power Cable Length: 425cm Motor Rating: IP42

Box Dimensions: 8.5kg - 38cm x 26cm x 40cm (19lbs-15"x10¼"x15¾")
Also known as BT Ventilator K15

***The VAF-200 is for use in Non-Explosive and Non-Flammable environments only**
