

ABTECH SAFETY DAVIT ARM SYSTEM

5" BARREL MOUNT DAVIT SYSTEM

This free-standing, portable system is ideal for use on medium walls & structures, where permanent fixing systems aren't available or built into the area of works. The bracket can accommodate thin walls up to thicknesses 127 mm. In our sector, popular applications are trench boxes or shoring. It offers a solution for the entry, rescue and positioning of personnel.

£240 Per Week
